William Woodall

FULL STACK WEB DEVELOPER

ABOUT ME

I am an independent developer who attended the UNCC-Trilogy coding bootcamp of 19/20. I have always had an interest in technology and grew up with one hand on a keyboard. I have devoted my time to continuous education via polishing my mechanics, expanding my lexicon, and developing skills around new technology.

SKILLS & ABILITIES

I am proficient with both front and back end tasks and possess a firm working knowledge of: HTML, CSS, Bootstrap, Javascript, JQuery, MySQL, Express/Handlebars, Node.js, MongoDB, Python, and React.
